Proceedings of the Government of Mysore

READ :—

Letter No. 962, dated the 14th March 1895, from the Deputy Commissioner, Mysore District.

"In submitting for the orders of Government, petition of Saukar Chik Viranna, dated 12th March 1895, asking for extension of time, for completing the 200 houses in the weaver lines, I have the honor to state that, under condition 2, of the agreement executed by him on 13th July 1892 in accordance with Government Proceedings No. 5770-1—157 of 30th June 1892, Saukar Chik Viranna, had to complete the 200 houses by the end of December 1893 and that, under condition 4, he undertook to execute in favor of Government, a deed of mortgage, for the whole amount of advance, payable in 10 annual instalments, with interest at 4½ per cent, per annum, from 1st July 1894. The houses were then understood to be of a valuation of Rs. 250 each. But this valuation was revised owing to the houses having been made more decent, and substantial than was at first designed, and the Government were pleased, on a report of the circumstances (*vide* Proceedings No. 16260-2—G. F. 112-92, dated 1st April 1893), to accept the enhanced valuation of Rs. 450 per house and directed that three-fourths of their value or a total sum of Rs. 67,500 should be advanced to him, in such instalments, as may be due, under the terms of the agreement above referred to. The payments up to date, made to Chik Viranna of the 75 per cent, on valuation of work executed by him amounts to Rs. 46,348 besides the special advance of Rs. 8,000 directed in Government Proceedings No. 1778-80—112-92, dated 28th July 1893, or Rs. 54,348 altogether. As the houses had not been completed within the stipulated time, the Executive Engineer, was on 30th November 1894, requested to state, how many houses had been completed, how many were under construction, and in what time the remainder could be expected to be constructed and the total value of work done up to date. The report, dated 20th December 1894, received from the Executive Engineer, Mysore Division, shows that 105 houses have been completed, 53 houses are very near completion and that 42 houses remain yet to be built. The Executive Engineer, further states that these may be completed by the end of June next, if Viranna exerts himself. As already stated, the time originally fixed for the completion of all the houses, expired on 31st December 1893. It must be explained here that at the time of this agreement the total work to be executed was valued at Rs. 50,000 at Rs. 250 per house while, subsequently the amount was raised at Rs. 450 for each house to Rs. 90,000. But he did not ask for extension of time on this account and has already exceeded the stipulated period by fourteen months. He now says that 120 houses have been completed and are under the occupation of weavers, that 38 are unfinished and that he is getting materials ready for 42 houses more and applies for a further extension of time by one and a half years. According to the Executive Engineer, the valuation of work done by Viranna up to 20th December 1894 amounted to Rs. 60,854 for which he has received Rs. 54,348 as advance from Government. Taking the aggregate value of the 200 houses at Rs. 90,000 he has yet to get work done at a cost of about Rs. 30,000 for which he will be entitled to receive only an advance of Rs. 13,152. He will thus have to lay out the rest of the cost from his own pocket and thereafter commence payment of the instalments.

I am afraid that this will be a heavy strain upon his resources, encumbered as he is, with the burden of maintaining about 120 families of weavers, besides providing capital necessary for the stock intrade of the weaving establishment and cloth shop.

The Government have an ample security for the loan advanced to Chik Viranna in the existing houses, which are, according to Government Proceedings No. 16260-2—G. F. 112-92, dated 1st April 1893, Government property in the possession of Chik Viranna, as contractor until he repays the advances with interest; and the construction of the remaining houses will only enhance the value of the security. There is thus no risk in granting the extension of time applied for. But, I beg to point out, at the same time that Government is losing the interest on the advance. If the Government be not disposed to grant further time Chik Viranna, may be directed to complete the 38 houses under construction and stop the work then, and execute at once, a deed of mortgage, for the total amount of advance already made to him, in the terms stipulated for in the agreement of July 1892.

No. 16188-9—R. F. 112-92, DATED, BANGALORE, 2ND APRIL 1895.

ORDER THEREON.—A loan of Rs. 50,000 on the mortgage of the proposed weaver village in Mysore City was sanctioned to Saukar Chik Viranna in Proceedings No A, dated 10th March 1892. The amount of this loan was subsequently increased to Rs. 67,500 by Proceedings No. 16260-2—G.F.112-92, dated 1st April 1893.

2. The Saukar's agreement was to build 200 houses and establish the weavers in all of them before the end of December 1893, and to repay the whole loan with 4½ per cent interest in ten annual instalments commencing in January 1894.

3. The Saukar has carried out this agreement only in part, in that instead of getting 200 houses being built and occupied by weavers before the end of December 1893, he has up to date got built and occupied only 120 houses and 38 others are approaching completion.

4. The executive Engineer estimates the outlay on the whole of these 158 houses at Rs. 60,854, but when the houses nearly completed are fully completed, the total value of these 158 houses may be taken (as originally estimated at Rs. 450 per house) to amount to Rs. 71,100.

5. The Government recognize that the Saukar is deserving of special encouragement and help for his enterprize in establishing this important local industry in Mysore City, but it is necessary now to conclude the contract with him so far as the original programme has been carried out.

6. Under these circumstances the Deputy Commissioner will be authorized to transfer to the Saukar formal possession of the 158 houses which have been built, on his executing a mortgage deed on the terms originally agreed upon. The mortgage deed should be for Rs. 54,348 on the security of the 158 houses already built or approaching completion, of the grounds belonging to the same and of the building sites assigned to the Saukar for weavers' houses, shops and other buildings and of such houses, shops and other buildings as may come into existence hereafter. The Government will not compel the Saukar to build more than the 158 houses already built or approaching completion, but if others are built, the Government should have a lien upon them for their mortgage. The interest on the mortgage debt of Rs. 54,348 should be 4½ per cent per annum as originally agreed upon, and the annual payment may be fixed at Rs. 5,434, so as to discharge the entire principal and interest in 13·58 years unless the Deputy Commissioner upon the application of the Saukar or on his own motion is able to recommend for Government sanction some better arrangement for the repayment of the principal and interest.

7. The amounts given to the Saukar as per Deputy Commissioner's report are as follows:—

	Rs.
12th July 1892	9,750
20th December 1892	6,500
Up to 5th July 1893	9,025
Up to 18th December 1893	7,266
Up to 14th March 1895	13,807
Special advance under the Government orders of 28th July 1893 No. 1778-80—G.F. 112-92	8,000
Total ...	54,348

The Comptroller must verify these figures and adjust his accounts in accordance with such verification and these orders, reporting such adjustment for the information of the Government.

Letter No. 1371—292, dated 3rd October 1894, from the Deputy Commissioner of the Kolar District, requesting instructions as to whether the orders contained in Government Proceedings No. 2061-70—R. 244, dated 4th August 1894, prohibiting the grant of unoccupied land within half a mile of the boundary of any Railway Station, are applicable to the agricultural lands acquired by the Municipalities for the extension of the Bowringpet and Goribidnur Towns.

No. 16819-26—R. F. 215-92, DATED, BANGALORE, 6TH APRIL 1895.

ORDER THEREON.—The proceedings referred to and the prohibition thereby conveyed apply to all classes of lands which are not already within the occupancy of private individuals. The Taluk Municipalities not being corporate bodies, the building sites attached to such Municipal Towns and Villages are the property of Government. The Deputy Commissioner should therefore submit a list of the sites referred to by him, noting down their size, value, position in the Village and the distance from the Railway Station. He should also state whether within the next two or three years there is any probability of a requisition being made by the Railway Department for any of them and solicit sanction for the exemption of such specified sites as may not be required by the Railway Department, from the operation of the prohibitory rule.

2. As the statements submitted in compliance with Government Proceedings No. 4627-35—115, dated 24th November 1887, do not contain particulars with reference to the recent Railway extensions and the opening of new stations, the Deputy Commissioners are requested to submit for record in this office, fresh statements showing the particulars of unoccupied Government land situated within half a mile of the boundary of each Railway Station.

ORDER THEREON.—The Deputy Commissioner is requested to submit a sketch showing how the new land is to be divided into house sites, streets, &c., and report the resources of the water supply.

2. When new villages are formed, advantage should be taken to attend to the sanitary and other requirements by providing straight streets and wide roads admitting of site drains and avenue trees. The Deputy Commissioner's attention is drawn to paras 4 and 5 of the Rules published with the late Chief Commissioner's Proceedings No. 1793—G.46, dated 21st May 1877.

Letter No. 895, dated 29th May 1894, from the Deputy Commissioner of the Hassan District, requesting to be informed with reference to the observations made in Proceedings No. 19858-9—R. F. 5-93, dated 17th May 1894, whether the orders contained in Government Proceedings No. 11848-57—Cir. 244, dated 25th January 1891, for the grant of free grazing lands in the Malnad Taluks for cultivation, are to be considered as still in force or cancelled.

No. 16996-8—R. 2420, DATED, BANGALORE, 8TH APRIL 1895.

ORDER THEREON.—Government consider it unnecessary to hamper the discretionary power given to the Deputy Commissioners in the order dated 25th January 1891, cited above, which is applicable only to the Malnad Taluks.

It is however presumed that in all such cases the fact that the final confirmation vests in the Government is brought to the knowledge of all persons who take part in the sales. This condition must be clearly and expressly laid down in the sale notices, in order that Government may not feel in any manner restrained to exercise its final judgment and power when the matter comes up for its decision.

Letter No. 431—378, dated 6th December 1894, from the Deputy Commissioner of the Chitaldroog District, recommending the resumption of the Jodi lands granted for the endowment of the Musafirkhana built by one Gangaiya at Anagode in the Davangere Taluk.

No. 17312-21—R. 2463, DATED, BANGALORE, 10TH APRIL 1895.

ORDER THEREON.—Under the orders conveyed in Secretary's Docket No. 5222—R. 123, dated 24th January 1870, to the address of the Superintendent of the Nagar Division, an area of 199 acres of waste land was granted to one Gangaiya on Jodi tenure for the endowment of the Musafirkhana built by him at Anagode in the Davangere Taluk, but from the papers now submitted by the

Deputy Commissioner the area actually allotted for the purpose appears to be 159 acres assessed at Rs. 80 on a Jodi of Rs. 8 per annum, as shown below:—

Survey No.	Extent. A.	g.	Assessment. Rs.	Jodi. Rs.
161	32	20	13 ...	
163	27	26	14 ...	
165	30	30	17 ...	8
167	35	27	19 ...	
168	32	17	17 ...	
Total ...	159	0	80	

2. The Musafirkhana having been neglected and found to be in a much dilapidated condition, several notices were served on Nanjappa, son of Gangaiya, who originally constructed the building, to repair the same and to make it useful for the public, but he having entirely failed to do the needful, the Deputy Commissioner recommends, under para 8 of the Rules published as Appendix G to the Land Revenue Rules, the resumption of the Jodi lands granted for the Musafirkhana and the levy of full assessment thereon from the present occupant Nanjappa.

3. Under these circumstances the Deputy Commissioner's recommendation for the resumption of the Jodi lands and the imposition of full assessment thereon from the year 1894-95 is sanctioned.

Letter No. 495, dated 25th February 1895, from the Deputy Commissioner, Kadur District, reporting that 23 acres and 39 guntas of land out of Survey No. 24 of the Kamandrug village, Tarikere Taluk, was granted without public auction to Mr. Ross Porter on coffee tenure at an upset price of Rs. 10 per acre, on the grounds that the land was considered unfit for coffee cultivation, that the price obtained for it and the assessment to be paid were found to be profitable, that the grant of it would not inconvenience any other raiyats, and that Section 60 of the Land Revenue Code was considered applicable to the case; and soliciting instructions in the matter of resuming the excess of 6 acres over the land granted to Mr. Ross Porter out of the above Survey Number for building cooly huts and for other purposes connected with coffee cultivation.

No. 17322-9—R. F. 7-94, DATED BANGALORE, 10TH APRIL 1895.

ORDER THEREON.—Government observe that a general provision applicable to all lands is necessarily restricted by a special rule applicable to a special subject; and that the scope of Section 60 of the Land Revenue Code referred to by the Deputy Commissioner is narrowed when it has to be construed with reference to the Special Coffee Rules 6 and 10 (Appendix E). The view taken by the Deputy Commissioner is incorrect, and the grant of the land in question without a public auction after due proclamation is irregular. But it is unnecessary to cancel the grant as the Deputy Commissioner assures Government that the price fetched is on the whole profitable. The grant under the circumstance is confirmed. The Deputy Commissioner will however be careful not to draw this exceptional case into a precedent and will strictly enforce the rules in future. The excess area of 6 acres found out of Survey No. 24 need not be resumed, as the grant of the same was sanctioned in Order No. 4077—548, dated 4th September 1894.

The Deputy Commissioners of other Districts for information.

READ :—

Correspondence ending with docket No. 388, dated 22nd September 1894, from the Deputy Commissioner of the Bangalore District, on the subject of allotting a piece of land in the Devanhalli Kasba for the purpose of a cemetery for Christians.

No. 17512-20—R. 2508, DATED BANGALORE, 12TH APRIL 1895.

ORDER THEREON.—Before setting apart any land for the burial ground of any community, it seems to be desirable that the views of the leading townspeople must be ascertained; and if there is a Municipality established in the place, the members of such Board are entitled to state their opinion. The Deputy Commissioner, who has not apparently adopted this course, is now requested to do so.

2. It is not clear whether his communication in para 3, of which he says that he has "therefore the honor, under Section 36 of the Land Revenue Regulations, to allow the piece applied for by Mr. Rice being used as a cemetery," is simply intended as a report for the information of Government, or whether he wishes any order to be passed by Government.

3. The Deputy Commissioner will also do well to ascertain the views of the local Medical Officer with regard to the sanitary effect of the proposed burial ground on the Kasba town of Devanhalli.

L. ANANTASAMI RAO,
Offg. Chief Secretary.

To—The Deputy Commissioner, Bangalore District, returning enclosures received with his No. 1117, dated 22nd March 1894.
The Deputy Commissioners of other Districts.

Docket No. 3395—1148, dated 26th March 1895, from the Deputy Commissioner, Kolar District, soliciting sanction to the appropriation for cultivation purposes of the land described in the margin in the Gubalahalli village, Ambajidroog Hobli, Chintamani Taluk.

	Extent. A.	G.
Out of Gomal Survey No. 8 ...	2	0

No. 17758-9—R F. 2-94, DATED BANGALORE, 17TH APRIL 1895.

ORDER THEREON.—Sanctioned. The land in question will be disposed of under the Darkhast rules, the assessment leviable thereon being fixed in communication with the Superintendent of Revenue Survey in Mysore.

2. It is noted with dissatisfaction that the first Darkhast presented by Karegauda on 22nd June 1893, not having been disposed of for eleven months, the Darkhastdar had to put in a reminder in May 1894, and there has been a further delay of eleven months. The Amildar should make it a rule to check the Darkhast file once a quarter and see to the speedy disposal of Darkhasts for land, which is at once beneficial to the raiyat and to the Government.

L. ANANTASAMI RAO,
Offg. Chief Secretary.

To—The Deputy Commissioner, Kolar District, returning vernacular papers.
The Deputy Commissioners of other Districts for information and guidance.

Letter No. 40, dated 14th July 1894, from the Deputy Commissioner of the Kadur District :—

Adverting to Government Proceedings No. 16919-27—R. 1699, dated 6th April 1894, directing that holders of building sites unoccupied by houses and back-yards attached to them be called upon to pay a fair assessment on the area so unoccupied, I beg to solicit your instructions on the following points on a reference made to me by the Amildar of Kadur, copy of which is herein enclosed :—

1. In the sites to be subjected to this tax are back-yards attached to occupied houses or back-yards on which no buildings stand to be treated as subject to the tax, or only detached vacant sites.

2. There are in villages certain sites which are never built upon but by mamul individually retained for storing manure, &c. Are these to be treated as vacant sites ?

3. Does the rule also apply to Municipal towns, where there are no Bye-laws governing such vacant sites ?

4. In imposing a fair taxation what should be adopted as a guide to fix the rate ? Some of these points I may Judge for myself and using my discretion dispose of, but for the sake of uniformity with other Districts, I solicit your instructions.

5. Back-yards, which are attached to occupied houses, though not built upon, are a necessary appendage to the houses and should not, I submit, be taxed. In the same manner sites which raiyats in the village have for a long time appropriated for the convenience of agriculture, such as for storing manure and straw, picketting cattle, using for Kana, &c. should not, in my opinion be taxed.

6. With regard to the rate to be imposed, I beg to submit that it should be calculated upon the maximum value of the land according to the prevailing selling Government rate per square yard in the place, which generally ranges from half an anna to four annas. The rates so fixed may be minimum one-fourth and maximum one-third of the valuation, which I consider will not be excessive.

No. 18353-60—R. 2670, DATED BANGALORE, 21ST APRIL 1895.

ORDER THEREON.—Ordered that the foregoing letter be communicated to the Deputy Commissioners of other Districts for a detailed report as to how they have carried out the order contained in Government Proceedings No. 16919-27—R. 1699, dated 6th April 1894.

2. The points to be particularly attended to are :—

1. What descriptions of sites are included ?
2. What are the rates and the mode of taxation ?

3. If the Deputy Commissioners have any suggestions to make generally regarding the working of the rule, they should submit them for the orders of Government.

L. ANANTASAMI RAO,
Offg. Chief Secretary.

Letter No. 233, dated the 8th August 1894, from the Deputy Commissioner of the Bangalore District, soliciting sanction to the grant for cultivation on Yeksal tenure of Survey No. 44 measuring 2 acres and 32 guntas assessed at Rs. 9-8 in the village of Gollalli, Nelamangala Taluk, and situated within a radius of half a mile from the Gollalli Railway Station.

No. 18447-54—R. F. 215-92, DATED BANGALORE, 21ST APRIL 1895.

ORDER THEREON.—Under the circumstances stated in the above letter, sanction is accorded to the grant of the land referred to for cultivation as a temporary arrangement, on the distinct understanding that it should be given up without any compensation being claimed when required by Government. A Mutchalika to the above effect should be taken, and the special conditions laid down noted in the village Khetwar Patrika and in the Raiyat's Patta and Khate.

2. The record does not show whether there are any trees in the land and how they are proposed to be dealt with. As the present Darkhastdar will get the land subject to the condition of giving it back without claiming compensation whenever required by Government, the best course is to levy the value of

trees according to a fixed valuation and allow him to deal with them as he thinks proper. The Darkhastdar may further be advised not to incur much outlay in planting *Dhruvapairu* Trees.

3. The term Yeksal tenure does not express all the conditions correctly and should not be used.

L. ANANTASAMI RAO,
Offg. Chief Secretary.

To—The Deputy Commissioner of the Bangalore District, with enclosures.
The Deputy Commissioners of other Districts for information and guidance, with reference to the clause that special conditions imposed should be entered in the Khetwar and other village accounts.

Letter No. 884, dated 28th January 1895, from the Deputy Commissioner, Bangalore District, submitting for orders an application from Messrs. A. Murgesa Modaliar and Raju Modaliar, Kayamgutindars of Kattriguppe in the Bangalore Taluk, for the issue of a commission conferring on them the powers referred to in Section 99 of the Mysore Land Revenue Code.

No. 18413-20—R. F. 56-94, DATED BANGALORE, 22ND APRIL 1895.

ORDER THEREON.—It is observed that the Government do not consider it advisable to issue a joint commission to two brothers. The commission, if issued to both, cannot be used separately and individually by one.

2. The Deputy Commissioner will therefore ascertain and report the name of the brother who is the real manager of the village and whether this gentleman has any knowledge of the Revenue Laws under which the powers which may be conferred under the commission are to be exercised.

3. The completion of the Survey settlement must also be reported.

Dated 24th April 1895.

His letter No. 971—748, dated 15th April 1895, submitting proposals for the increase of sayer establishment of the Nagar Taluk, and stating that, in anticipation of Government sanction, he has removed the sayer kattes at Nagar to Kallurkatte and placed the kattes at Hulkal and Hunsavalli in charge of higher Officials.

2. If extra establishment has been maintained in anticipation of Government sanction, the same must be done away with, as it will be very inconvenient to deal with such matters when unauthorized expenditure is incurred in anticipation of sanction.

Letter No. 3367—1135, dated 22nd March 1895, from the Deputy Commissioner of Kolar District.

No. 18865-72—R. 2718, DATED BANGALORE, 26TH APRIL 1895.

ORDER THEREON.—In the above letter, the Deputy Commissioner brings to notice that a portion of the land taken up for the Deputy Commissioner's new quarters at Kolar is claimed by one Timma Mestri and that this was formerly *Kandayam paying land, but since included within the village site of the Kolar Town during the Survey settlement which took place in 1889-90. The vacant site in question having for many years been treated as part of the back yard of the Deputy Commissioner's present residence and Timma Mestri not having claimed the land since the Survey settlement, the Deputy Commissioner solicits instructions as to whether his claim for compensation can be admitted at this distance of time.

*Maji Nos. 603 and 605 measuring 1 Kudu and 4½ Padies assessed at Rs. 1-2-11 (inclusive of local cess)

2. The Government observe that if it is proved to the satisfaction of the Deputy Commissioner that before the Survey Department added this land on to the village site, it belonged to and was in the ownership of Timma Mestri then, he is certainly entitled to compensation for the loss of such land when taken up for Government purposes.

3. The Deputy Commissioner will institute the necessary enquiry and decide the question in accordance with the views above mentioned.

Letter No. 707—611, dated 16th April 1894, from the Deputy Commissioner, ... District, submitting for orders a memo commenting on the conduct of... .. ..Amildar of the Sira Taluk, in connection with the seizure of some tangadi bark in the Hiriyur Taluk and disposal of the case by him as Magistrate.

Letter No. 1039, dated 19th July 1894 from the Deputy Commissioner,.....District, forwarding the Amildar's explanation.

Letter No. 2989—211 dated 18th March 1895 from the Inspector General of Forests in Mysore, submitting his opinion on the case.

No. 18942-5—R. F. 15-94, DATED BANGALORE, 22ND APRIL 1895.

ORDER THEREON.—The facts connected with the case referred to in the foregoing papers, and which are fully set forth in the memo of the.....Deputy Commissioner, are briefly these :—

On the 4th September 1892, the Shékdar of Dharampur, Hiriyúr Táluk, seized seven carts laden with tangadi bark near the village of Maddihalli, attached to his Hobli. They came from the direction of Amarápur of the Dharmavaram Taluk of the Anantapur District, Madras Presidency. The cartmen having represented that the owner of the bark had the pass or license for the consignment and was coming behind, the Shékdar allowed them to halt near a village of the Sira Taluk close by and made a report to his immediate official superior, the Amildar of Hiriyúr Taluk. The alleged owner did not turn up. On the 7th September, an individual, named Abdul Khalak, produced a pass purporting to have been issued by one Srinát'háchár, *S'rótriemdár* of Lyagirlahalli of the Dharmávaram Taluk, to one Muhammad Haidar Sáb; but the details mentioned in it were found to conflict with the statements of the cartmen as to when the bark had been collected, and suspicion was naturally awakened in the case. The Amildar of Hiriyur desired the aid of the Patél of the village and the local Shékdar (of the Sira Taluk) to forward the carts to Hiriyúr. This requisition was not complied with. The Sira Amildar ordered the carts to be sent to Sira for disposal by himself, allowed them to proceed to Bangalore after receiving a deposit of Rs. 400 (the value of the bark) from the said Haider Sáb, and submitted a report to the Deputy Commissioner of.....in which, among other things, he expressed a doubt as to the genuineness of the pass which Abdul Khalak had produced, and hesitating to accept the statements of the cartmen ; he suggested a reference to the Collector of Anantapur to ascertain the truth. The Deputy Commissioner of....., without making any reference to the Collector as suggested, merely approved of the action taken by the Sira Amildar and directed him to hold an enquiry under section 40 of the Forest Rules. The trial was not proceeded with till after some months owing, it is said, to the absence of the accused ; but, in June 1893, the Sira Amildar, in his capacity of Magistrate, tried Haider Sáb for a breach of the Forest Rules under section 40 of the Rules of 1878 and Government Notification No. 198 dated 21st September 1889. The cartmen, who were examined as witnesses for the prosecution, having stated that the bark was collected in an Inam village of the Anantapur Taluk, the Amildar Magistrate concluded therefrom that the pass produced was a genuine one and acquitted the accused refunding the amount of deposit.

2. The Deputy Commissioner of.....District, who had watched the case from its inception, not being satisfied with the result, ascertained, by a reference to the Collector of Anantapur, that the Thanádár's certificate in the pass was a forgery and that the pass, even supposing it was granted by the Inamdár, was not valid, as it was not countersigned by the Deputy Tahsildar.

3. The Inspector General of Forests received no report whatever from the Deputy Commissioner of.....; but, upon information confidentially sent to him by a District Forest Officer of the Madras Presidency, wrote a D. O. to the Deputy Commissioner, and as, by his reply, he understood that the case was before Government, he thought no action was necessary on his part;

Mr. Ricketts, however, agreed with the views of the Deputy Commissioner of ... .as set forth in the latter's memo dated 14th April 1894, and stated that the conduct of the Amildar was blameworthy.

4. On a careful consideration of all the circumstances of the case, the Government are disposed to agree in the view taken by the Deputy Commissioner of.....and the Inspector General of Forests, and are constrained to remark that the Sira Amildar,.....has not exercised proper discretion and judgment in the disposal of this case.

5. In the first place it seems to the Government that, under the provisions of the late Chief Commissioner's Notification quoted in the margin, the detention, for want of a pass, of the tangadi bark in question, which was imported into the Mysore territory from Madras was illegal, inasmuch as para one of the Rules promulgated with the said notification clearly lays down that "Merchants and others importing timber and other Forest produce into Mysore from Madras will not be required by the Government of Mysore to produce any passports." The Rules of the 21st September 1889, No. 198, quoted by the Sira Amildar in his Magisterial proceedings, had no application to a case of this kind.

No. 45, dated 12th November 1872.

6. In the next place, the carts having been seized in the Hiriyúr Taluk and the Amildar of the said Taluk having demanded the transfer of the parties to his charge, the Sira Amildar should have, at the outset, left the enquiry in the hands of the officer, instead of betraying a desire to try the case himself.

7. Assuming, however, that the Sira Amildar was competent to make an enquiry into the case, since the proceedings show he entertained a doubt as to the genuineness of the pass and wanted to ascertain whether the bark was actually imported from the Anantapur District of the Madras Presidency, the easiest course, which should have naturally suggested itself to him, was to have examined the Inamdár and Thánádár who are said to have granted the pass. The flagrant omission to record the evidence of these material witnesses and the subsequent disposal of the case by placing implicit reliance upon the uncorroborated and interested testimony of the accused's own cartmen, who, in the first instance, were discredited by the Amildar Magistrate himself, is the most unsatisfactory feature in the whole case, for which no adequate explanation is forthcoming.

8. The.....Deputy Commissioner would have naturally helped in the cause of justice and in the detection of what now appears to be a fabrication of the alleged passport, if, upon the report originally submitted by the Sira Amildar, he had at once ascertained, by reference to the Collector of Anantapur, the facts which were elicited subsequent to the acquittal of the accused.

9. In conclusion, the Government regret to observe that Amildar..... had failed to discharge his public duty in connection with this case in a satisfactory manner, and, in communicating a copy of these Proceedings to him, he will be warned to be more careful in future in the exercise of the powers entrusted to him.

Letter No. 563, dated the 14th March 1895, from the Inspector General of Registration, submitting a list of Special Sub-Registrars who are Graduates and who have passed the Criminal and other local tests and who may be invested with Magisterial powers.

No. 17093—J. 1066, DATED BANGALORE, 5TH APRIL 1895.

ORDER THEREON.—The Government await the further list promised by the Inspector General in the letter read above. In the meantime he is requested to take into consideration, in filling vacancies among Sub-Registrars which may hereafter occur, the claims of men who have passed the local Criminal and Civil tests, so that, in the event of Government hereafter deciding upon appointing these Officers as Magistrates, no difficulty may be experienced in finding eligible persons to exercise Criminal powers.

Letter from the District Magistrate, Bangalore District, No. 1221, dated 11th April 1895, intimating that, in a case of murder pending before the City Magistrate, the Public Prosecutor has been instructed to conduct the prosecution owing to the absence of the Head-quarter Inspector of Police, and that the fee which may be demanded by the Public Prosecutor may probably exceed Rs. 100.

No. 18187-221—J. 1124, DATED, BANGALORE, 20TH APRIL 1895.

ORDER THEREON.—The Government observe that if the Inspector was absent on leave, the officer deputed to act for him, or the Superintendent of Police himself might have been asked to conduct the prosecution to avoid unnecessary expense to Government.

2. With regard to the fee payable to the Public Prosecutor, the District Magistrate is informed that the sum of Rs. 100 fixed by Proceedings No. 48-82, dated 22nd September 1894 is the maximum fee payable in any one case, and that ordinarily the fee payable for each day's attendance should not exceed Rs. 16; when a case is simply adjourned without trial, the fee for the day should be limited to Rs. 5.

3. When the Public Prosecutor, owing to his absence on Sessions duty or otherwise, is not available to conduct prosecutions in cases of the kind referred to in para 1 of the order of 22nd September 1894, it would be economical to employ an Advocate or a Pleader of the First Grade on the same terms.

READ:—

Docket dated 8th February 1895, No. 588—516, from the Deputy Commissioner of the Chitaldroog District, submitting the District Fund Budget Estimates of the Chitaldroog Circle for 1895-96.

No. 16064-8—L. F. 151-94, DATED BANGALORE, 2ND APRIL 1895.

ORDER THEREON.—With the letter read above, the Deputy Commissioner submits the Budget Estimates of Receipts and Expenditure of the Chitaldroog Local Fund Circle for 1895-96.

2. The estimated opening balance on 1st July 1895 is Rs. 10,254. The receipts are estimated at Rs. 41,050. This has to be slightly reduced by Rs. 2,525 as the receipts under "II Sale of Stray Cattle," "III Fines for Cattle Trespass," and "VI Fees from Travellers' Bungalows" have been somewhat over-estimated. Taking into consideration the actuals of 1893-94, it is safe to estimate the receipts for 1895-96 at Rs. 1,000, 5,000 and 40 instead of Rs. 1,534, 6,988, and 43 respectively. Accordingly the estimated receipts, including the opening balance, will amount to Rs. 48,759. The expenditure proposed is Rs. 41,034 as against an estimate of Rs. 59,032 for 1894-95, as detailed below:—

	Estimates for 1894-95.	1895-96.
(1) A. Public works to be executed by D. P. W. ...	29,679	20,420
(2) B. Public works to be executed by Revenue Dept. ...	8,565	4,080
(3) Civil Charges	20,788	15,934
Total ...	59,032	41,034

3. The variations in the estimates are fully explained in the Proceedings of the District Fund Committee of 29th January 1895, and the Government accordingly accept the estimates with the following observations.

4. *Public Works.*—No portion of the lump sum provision under "Reserve" should be utilized without the special sanction of Government. Owing to the inadequacy of funds to provide for bridges and tunnels as in previous years, the Board suggest that all such tunnels, as may be necessary, should be gradually built from savings to be effected from the annual mileage grants sanctioned for the several District Fund roads. Government approve of the Board's suggestion, which may be generally adopted. Owing to want of funds, the Board propose to retransfer the Chitaldroog-Challakere road to the Provincial D. P. W. Budget. This question will be referred to the Public Works Department for consideration.

5. *Civil Charges.*—The proposed contribution of Rs. 2,000 towards the construction of a Town Hall at Chitaldroog is sanctioned on the understanding that the balance required to complete the work will be raised by private subscriptions. Under "Conservancy and Sanitary Charges," a sum of Rs. 3,000 only is provided for 1895-96 as against an estimate of Rs. 8,635 for 1894-95 and Rs. 6,578, the actuals of 1893-94. This considerable reduction is very much to be regretted, as the improvement of the conservancy and sanitary arrangements is necessary to promote the health, comfort, and convenience of the people. It is hoped, however, that this object may be carried out as far as the funds at the disposal of the Board will permit. The provision for Medical Scholarships will be reduced from Rs. 430 to Rs. 340.

6. In order to augment their resources the Board propose to levy tolls on certain District Fund roads. This should form the subject of a separate communication.

7. Separate orders will be passed in regard to the Board's proposal* to remove from the list of Members Mr. Svamirayachar, who absented himself from three consecutive meetings, and to nominate a proper successor.

* Contained in para 8 of the Board's Proceedings dated 28th and 29th January 1895.

8. The Budget Estimates of receipts and expenditure as now sanctioned and shown in detail in the annexed appendices may be summarized as follows :—

The following papers :—

(1) Letter No. 1782—459, dated 22nd November 1893, from the Deputy Commissioner, Kolar District :—

I have the honor to state that under Government Proceedings No. 895-905—25, dated the 6th May 1885, Police Assistants of Districts can occupy a portion of Travellers' Bungalows while on circuit, free of charge, while the orders contained in Proceedings No. 15-24—2 of the 3rd April 1888, grant a similar concession to the Forest Officers generally up to and including the rank of Assistant Conservators in places where there are no Forest Lodges. Again this exemption in favor of Government servants has subsequently been withdrawn by Government in the case of third class Travellers' Bungalows (*vide* Proceedings No. 7645-56—L. 622, dated 6th October 1891, para 22).

2. It has come to notice that in practice Police Inspectors also occupy Travellers' Bungalows while on public duty and that they claim exemption from payment of fees.

3. I would under these circumstances beg to suggest that a fresh ruling may be laid down on the subject and that, if it be at all necessary to continue the concession, the same may be restricted to the Police Superintendents and Assistant Superintendents and to the Forest Officers of the rank of Sub-Assistant and Assistant Conservators, the period of free occupation being in each case limited to three days, the Officers being required to pay half the rate of prescribed fees during that period and full rates after it. The proposal, if approved, will not operate as a hardship on the Officers concerned, as they draw full travelling allowance during the period they halt in the Travellers' Bungalows.

(2) Letter No. 1189—236, dated 20th September 1894, from the Deputy Commissioner, Kolar District :—

In continuation of this Office letter No. 1782—459, dated the 22nd November 1893, submitting certain proposals in regard to the occupation of Travellers' Bungalows by the Officers of the Forest and Police Departments, I have the honor to state that the District Forest Officer requests that he may be exempted from payment of Bungalow fees for his family accompanying him during his tour on public duty and the Inspector General of Forests, whom I addressed on the subject, is of opinion that if a Forest Officer is exempted from payment of fees for occupying a Travellers' Bungalow the exemption includes his family also, subject to existing rules as to vacation in favor of new arrivals, &c.

As the Police Officers also claim a similar exemption, I solicit the issue of a definite ruling in the matter.

The question refers only to the 1st and 2nd class Bungalows as the exemption has already been withdrawn in the case of 3rd class Bungalows, as will be seen by a reference to Government Proceedings No. 7645-56—L. 622, dated 6th October 1891, para 22.

(3) Docket No. 1984—461, dated 30th November 1894, from the Deputy Commissioner, Kolar District :—

Previous correspondence ending with this Office letter No. 1189—236, dated 20th September 1894, regarding the occupation of Travellers' Bungalows by the Officers of the Forest and Police Departments.

In continuation of the above has the honor to submit for orders the accompanying copy of letter No. 201, dated 20th instant from Mr. H. Ramanujaiengar, Police Superintendent of the District, who seems to think that the order contained in para 22 of the Government Proceedings No. 7645-56—L. 622, dated 6th October 1891, directing the levy of the prescribed fees for every halt exceeding 24 hours from the occupiers of 3rd class Travellers' Bungalows whether they are Government servants or not, does not cancel the privilege conceded to Police Assistant Commissioners by Government Proceedings No. 895-905—25, dated 6th May 1885, by which they were permitted to occupy a portion of such Bungalows while on circuit free of charge.

Letter No. 201, from the Superintendent of Police, Kolar District, referred to in the above :—

I have the honor to request the favor of being informed as to whether the ruling contained in para 22 of the Government Proceedings No. 7645-56—L. 622, dated the 6th October 1891, which has been forwarded to me for information and guidance under cover of your docket No. 1223-24—777 of the 21st September 1894, has the effect of cancelling the privilege conceded to Police Assistant Commissioners by Government Proceedings No. 895-905—25 of the 6th May 1885.

I venture to submit that the exemption made in the last quoted order does not appear to have been withdrawn by the later Government Proceedings under reference.

(4) Letter No. 203, dated 24th January 1894, from the Deputy Commissioner, Hassan District:—

* * * *

2. I further request to be kindly informed if the Khedda Superintendent is exempted from the payment of fees.

(5) Letter No. 466—41, dated 8th March 1894, from the Deputy Commissioner, Chitaldroog District:—

Has the honor to state that there seems to be some diversity of practice in levying fees in the Travellers' Bungalows of the several classes and some Officers, such as Police Officers, Forest Officers, Amrut Mahal Officers, Jamabandi Officers are said to be allowed to camp in the Bungalows fee free. The undersigned requests that a complete set of rules on the subject may be kindly forwarded for reference together with a list of all Officers exempted from payment of fees with authority therefor.

(6) Letter No. 657, dated 9th June 1894, from the Deputy Commissioner, Kadur District:—

The Deputy Amildar of Yedahalli reports to me that Mr. and Mrs. Dunning occupied the 2nd class Travellers' Bungalow at Balehonnur on 7th February 1894, and paid 6 annas as the fee for a day, and Mr. and Mrs. Russell occupied the same Bungalow on 26th April 1894 and paid 4 annas as the fee for the day. It will be observed that Mr. Dunning and Mr. Russell are Officers who are exempted from paying any Bungalow fees under Proceedings No. 895-905—25, dated 6th May 1885 and No. 15-24—2, dated 3rd April 1888, the former being an Assistant Superintendent of Police and the latter Superintendent of Forests.

2. The prescribed fee for a married couple is annas 12 according to Notification No. 63, dated 14th October 1874, and it appears to me that these gentlemen being themselves exempted paid annas 6 and 4, respectively, as the quota of the fees on behalf of their families.

3. It will be further seen that while one Officer considers the quota to be half, the other Officer considers it to be $\frac{1}{3}$, of the full fees. As the rules in force do not prescribe the rate at which such fees should be recovered, I beg to solicit your instructions thereon.

4. I further beg to submit that in my opinion it would not be too much to exempt all Officers who now enjoy the privilege of occupying Travellers' Bungalows free of all fees, even in the case when they occupy the Bungalow with their families.

No. 16093-126—L. F. 94-94, DATED, BANGALORE, 2ND APRIL 1895.

ORDER THEREON.—The Government observe that the following Officers have been exempted from payment of the Bungalow fees:—

Designation of Officer.	Conditions imposed.	No. and date of order.
(1) Assistant Superintendents of the Mysore Revenue Survey, while on duty.	1. They should each obtain a pass under the signature of the Secretary to Government.	1. No. 5829—G. 831, dated 28th October 1878.
	2. They should vacate when the bungalows occupied by them are required for other travellers.	2. No. 234-5—3, dated 13th April 1883.
(2) Police Assistants of Districts while on circuit.	To occupy a portion of a bungalow.	No. 895-905—25, dated 6th May 1885.
(3) Forest Officers, up to and including the rank of Assistant Conservators.	Provided there is no Forest Lodge in the place.	No. 15-24—2, dated 3rd April 1888.
(4) Government Telegraph Officers when engaged in erecting or repairing lines of Railway telegraph.		No. 19647-8—G. 4390, dated 11th May 1895.

2. The papers read above show that Officers not specially exempted by order of Government, such as Jamabandi Officers, Police Inspectors, have now and then claimed and enjoyed the exemption in some Districts. The Deputy Commissioners are requested to enforce payment, under the rules, from all Officers other than those specified in the list appended to para 1.

3. When any of the Officers referred to in the above list takes his family with him when travelling on duty, the exemption will not extend to his family.

4. The Deputy Commissioner of Kolar will be informed that the instructions conveyed in para 22 of Government order No. 7645-56—L. 622, dated 6th October 1891, quoted in the margin, do not apply to Officers specially exempted as above from payment of fees.

The practice of Government Officials occupying Travellers' Bungalows for such long periods is objectionable and should not be allowed in future. In Shimoga District, the Government Officials appear to have been exempted from payment of fees for the first 3 days of every halt in Travellers' Bungalows under the Chief Commissioner's Notification dated 14th February 1876, No. 121; but the Government note that the above notification has been subsequently withdrawn (*vide* Chief Commissioner's Notification dated 13th December 1877, No. 298). The Deputy Commissioner should therefore see that for every halt exceeding 24 hours the charges prescribed by Government are levied whether the persons occupying the Bungalows are Government servants or not.

Docket, dated 14th January 1895, No. 593—161, from the Deputy Commissioner of the Shimoga District, submitting a Supplemental Budget and a Re-appropriation Statement of the Budget grant of the District Funds of the Shimoga Circle for 1894-95.

No. 16215-7—L. F. 232-93, DATED, BANGALORE, 4TH APRIL 1895.

ORDER THEREON.—It is observed that some of the entries in the Supplemental Budget and the Re-appropriation Statement require further explanation and correction. A revised final Budget embodying all the modifications made in the Budget estimates for the current year from time to time should be submitted. In view, however, to facilitate the execution of urgent works, the items entered in the above two statements are explained below:—

2. In the Supplemental Budget, a sum of Rs. 10,034 is shown to have been credited in 1893-94 to District Funds out of the sum of Rs. 34,000 sanctioned as grant-in-aid from Local Funds General for Channagiri roads, &c. But the accounts furnished by the Comptroller show that no portion of the latter amount was credited in the District Fund accounts for 1893-94; but it has now been ascertained that the whole amount has been adjusted in the current year's accounts by a credit to District Funds and a debit to Local Funds General. The sum of Rs. 34,000 should accordingly be entered under the head of Grants-in-aid on the side of receipts in the current year's Budget.

3. On the side of "Proposed Reduction" in the Re-appropriation Statement, a decrease of Rs. 1,100 is shown under the provision made for the repair of the western Malnad roads* transferred to Provincial Funds. It is observed that a further sum of Rs. 3,000 each or Rs. 6,000 in all was sanctioned for the construction of the said roads. The total sum sanctioned for them thus comes up to Rs. 7,100 which will have to be struck off the District Fund Budget.

		Rs.
* 1.	Talguppa to Aralgode ...	550
2.	Arenahalli to Karur road ...	550
	Total ...	1,100

4. In regard to the supplemental grant of Rs. 23,966 applied for on account of the roads noted below their total estimated cost is Rs. 76,835, of which Rs. 49,287 was spent up to the end of 1893-94 and Rs. 7,900 provided in the

sanctioned Budget for the current year, leaving a balance of Rs. 19,648 only remaining to be spent on these roads. While so, it is not explained why an excess expenditure of Rs. 4,890 over the sanctioned estimate is proposed to be incurred on the first three roads. Pending explanation of the necessity for the excess expenditure proposed and the sums that may be actually required for each of these roads, before the end of the current year, the provision of Rs. 23,966 will be struck out:—

No.	Roads.	Amount of Estimate.	Expenditure.			Balance to be provided for	Amount as now proposed.

	Total ...	76,835	49,287	7,900	57,187	19,648	23,966

5. The Deputy Commissioner submits a detailed list of works for which funds are needed and requests a supplemental grant of Rs. 111 on account of furniture for Local Fund Dispensaries. The total amount applied for comes to Rs. 7,426 as shown in the marginal abstract.

		Rs.
1.	Works not yet sanctioned (1592+270) ...	1,862
2.	Repairing roads on two tank bunds ...	1,500

5.	Municipal tax on account of Musafarkhana at Honnalli	5
6.	*Furniture for Local Fund Dispensaries* ...	111
	Total ...	7,426

Item 1 cannot be sanctioned, as no work which has not been sanctioned should be included in the annual Budget.

Before passing final orders in regard to item 2, it should be explained whether in the case of tanks irrigating lands below, any portion of the cost of the roads passing over them cannot be charged to the Irrigation Cess Fund.

Item 3. A large amount namely Rs. 2,702 is proposed to be spent on the Travellers' Bungalow at Sulekere. The necessity for such a large outlay on the repair of one Bungalow should be explained before commencing the work. If the III class Bungalows are intended to be repaired by the Revenue Agency, the provision for the same should be included under "B Public Works to be executed by Revenue Department."

Item 4 is passed.

Item 5. Before passing this item, the Deputy Commissioner is requested to state the circumstances or quote the authority under which the Musafarkhana is charged with Municipal House tax. It should also be reported whether all Musafarkhanas and III class Travellers' Bungalows of the District lying within Municipal limits are similarly taxed.

Item 6 is passed subject to the submission of a detailed bill of charges showing the total cost of articles supplied to each Dispensary and the portion thereof debited to District Funds.

The proposal to transfer Rs. 300 out of the allotment made for the repair of Channagiri Malebennur road to that of the Chitaldroog Benkipur road is sanctioned.

READ:—

Letter dated 7th March 1895, No. 911, from the Deputy Commissioner of the Mysore District, submitting the District Fund Budget Estimates of the French Rocks Circle for 1895-96.

No. 16312-6—L. F. 147-94, DATED BANGALORE, 4TH APRIL 1895.

ORDER THEREON.—The District Fund Board estimate the income of the French Rocks Circle for 1895-96 at Rs. 41,910, which is based upon the actuals of 1893-94. The probable opening balance on 1st July 1895 is Rs. 10,066, making a total of Rs. 51,976. These estimates call for no remarks and are passed.

2. The expenditure proposed amounts to Rs. 47,625.

3. *Public Works to be executed by Public Works Department.*—Under "A Public Works to be executed by Public Works Department," a sum of Rs. 35,635 is entered. This includes a reserve of Rs. 1,000, which is allowed; but no portion of that amount should be utilized without previous sanction.

4. *Public Works to be executed by Revenue Department.*—No estimate is proposed under "B Public Works, Original," but a sum of Rs. 840 is entered under "Repairs to be executed by Revenue Officers." This is approved, subject to detailed estimates being submitted for sanction.

5. Under "Civil Charges," Rs. 10,990 is provided. The items calling for notice are the following:—

(a) *II Medical Scholarships.*—The correct amount that has to be entered under this head is Rs. 131, and not Rs. 165. The former figure will be adopted in the Budget.

(b) *I Office Establishment.*—The proposed increase of pay to the Statistical Clerk should form the subject of a separate communication. No new charges on account of office establishment should be included in the Budget without previous sanction. The sum of Rs. 60 proposed on account of increase of pay to the Statistical Clerk must therefore be disallowed. The provision of Rs. 50 for furniture required for the use of the clerk is sanctioned, as also the additional provision of Rs. 45 to meet the pay of two midwives, one at Nagamangala and the other at Malvalli, entertained from October 1894, as per sanction conveyed in Government Proceedings dated 19th March 1894, No. 15602-11—L. F. 322-92. The sum of Rs. 60 entered under "VI Conservancy and Sanitary Charges" to meet the pay of a watchman to be employed at Paschimavahini is sanctioned, as it is reported to be absolutely necessary. The sum of Rs. 400 required to execute urgent repairs to Travellers' Bungalows is also passed, subject to detailed estimates being submitted for sanction.

6. The other charges, being within the sanctioned scale of charges of 1894-95, are approved.

7. The Budget Estimates for 1895-96 will stand as shown below. Full details will be found in the annexed appendices.

Docket dated 6th March 1895, No. 614, from the Deputy Commissioner of the Hassan District, submitting the District Fund Budget Estimates of the Hassan Circle for 1895-96.

No. 10288-92—L. F. 148-94, DATED, BANGALORE, 4TH APRIL 1895.

ORDER THEREON.—The receipts for 1895-96 as estimated by the Deputy Commissioner amount to Rs. 72,650 as against Rs. 68,930, the sanctioned estimate for 1894-95 and Rs. 73,704, the actuals of 1893-94. The estimates are approved. Including the anticipated opening balance of Rs. 49,441, the available assets amount to Rs. 1,22,091. Deducting the usual 25 per cent of this sum as reserve, the sum available for expenditure is Rs. 91,568, but the expenditure proposed aggregates Rs. 1,06,568, which therefore requires reduction.

2. Under "(A) Public Works to be executed by Public Works Department," the amount entered is Rs. 76,390. The necessity for the several original works and repairs being fully explained in the Proceedings of the District Fund Board held on 9th February 1895, the provisions made therefor are approved. Under "Tools and Plant" a sum of Rs. 1,000 is entered as against the actuals of 1893-94 amounting to Rs. 297. The estimate for 1895-96 is, therefore, limited to Rs. 500.

3. Under "(B) Public Works to be executed by Revenue Department," the sum entered is Rs. 10,914. The proposed construction of a Chavadi at Chamarajendrapura at a cost of Rs. 300 will be deferred for reasons given in para 7 of Proceedings dated 29th March 1895, No. 15798-810—L. F. 144-94, and the provision will be struck out accordingly. The sum of Rs. 3,614 provided for Musafarkhanas at Banavar and Alur will be retained, pending the submission of the standard plan and other information called for in Proceedings dated 29th March 1895, No. 15798-810—L. F. 144-94. The other items call for no remarks.

4. The Civil charges estimated for 1895-96 amount to Rs. 19,264 as against Rs. 17,515 for 1894-95. The increases are under the following heads:—

G. P. No. 9877-85—R. 1489, dated 14th December 1894, directing the employment of Tank Inspectors and Sub-Overseers only on work connected with the restoration and improvement of tanks and prohibiting the use of their services on Local Fund and Municipal works.

In this connection, all the Amildars present said that it was not possible for them to prepare estimates for wells and other works or get them executed without any professional agency and that the Tank Inspector and Sub-Surveyors are not used to the prejudice of their proper work. As there were many works to be carried out from District Funds in connection with sinking wells,

repairing drinking kattes, constructing Chavadis and other matters of village sanitation, it was proposed that it was very necessary to obtain the sanction of Government to entertain a temporary Taluk Mestri for each taluk on salaries of Rs. 15, 12 or 10 a month according to the amount of work of each Taluk.

Correspondence ending with letter dated 22nd March 1895, No. 1379, from the Chief Engineer in Mysore.

With reference to Government Proceedings No. 14033-5—L. F. 367-92, dated 9th instant, remarking that Mr. Plumer ought to have paid the prescribed Bangalo fees for occupation of a room and bath room in the Chikmagalur Travellers' Bangalo as Government Proceedings No. 2605, dated 7th June 1888, under which a monthly rent of Rs. 6 was fixed by this office, do not apply, I have the honor to point out that the course followed in this case is precisely the same as that adopted in all previous similar cases, *viz.*, to levy rent at 3 per cent on the salaries of the officers, which is what they would have to pay, under Proceedings of 7th June 1888, for occupation of ordinary Government buildings. But as Government seem to be opposed to this arrangement, I request that you will be so good as to have the question of rent payable for the occupation of Travellers' Bangalos in all cases in future settled once for all.

No. 18267-301—L. F. 367-92, DATED BANGALORE, 25TH APRIL 1895.

ORDER THEREON.—The rules published in Government Proceedings dated 7th June 1888, No. 2605, as modified in Proceedings dated 25th January 1894, No. 349-84—45-80, regarding the occupation of ordinary Government buildings, do not apply to Travellers' Bangalos, for the occupation of which the prescribed fees should be levied.

Letter No. 3354—1132, dated 21st March 1895, from the Deputy Commissioner, Kolar, requesting a reconsideration of the rule laid down in Government order No. 12127-35—L. F. 129-94, dated 13th February 1895.

No. 18398-407—L. F. 129-94, DATED, BANGALORE, 26TH APRIL 1895.

ORDER THEREON.—The rule contained in the Government order No. 12127-35—L. F. 129-94, dated 13th February last was issued after sufficient experience was had of the working of the system prescribed in the Government * Proceedings of 1892, with a view to combine the expeditious execution of necessary public works with due safeguards for the funds at the disposal of the Deputy Commissioners in the Municipal and Local Fund Departments. It is therefore too early to judge whether it will entail any inconvenience or obstruction in meeting the object in view.

*No. 3075-86—L. F. 425, dated 23rd May 1892.

2. In para 4 of the order of 1892, it was made optional with the Executive Engineers to furnish plans and estimates to the Deputy Commissioners in respect of original works costing Rs. 200 and upwards. But under the rule of February last, the Deputy Commissioners are bound in such cases to obtain the approval or remarks of the Executive Engineers before submitting the estimates to Government.

3. This change in procedure is pointed out by the Deputy Commissioner of Kolar in the letter read above as likely to cause some difficulty. But the Government trust that by the cordial co-operation of the Officers of both departments, due facilities will be obtained and all obstructions removed, to the proper execution of works by the Revenue Department.

READ :—

The following letter from the Comptroller, dated 25th November 1894, No. 921 :—

I have the honor to stat . that the Deputy Commissioner, Hassan, in his No. 613 of 17th November 1894, brings to notice that the ruling laid down in Government Proceedings No. 8056-64—L. F. 299-92, dated 16th November 1893, that Municipal cheques should be made presentable within five days of issue, is not working satisfactorily owing to absence of parties from Head-quarters of Taluks and other causes, and suggesting the extension to eight days.

2. The Deputy Commissioners of Bangalore and Mysore had brought the same to the notice of Government before, which resulted in the issue of Government Proceedings No. 19739-47—L. F. 299-92, dated 18th May 1894, directing the adoption of the cash balance statement form annexed to my letter No. L. F. 1477, dated 10th March 1894, in order to effect an agreement between the Treasury account and the Municipal accounts in regard to cheques drawn and cashed during the month. As this procedure will meet all requirements, I would suggest that the restriction of five days be withdrawn and the cheques be made current for three months as in the case of Public Works and other Departmental cheques.

READ AGAIN :—

Para 3 of Government Proceedings dated 2nd May 1892, No. 1781-9—L. 272, prohibiting the issue of cheques after the 25th of each month.

2. Para 2 of Government Proceedings dated 16th November 1893, No. 8056-64—L. F. 299-92, directing that cheques should be made presentable within 5 days of issue.

3. Government Proceedings dated 26th February 1894, No. 14288-90—L. F. 299-92, directing the submission of a statement showing the number and amount of cheques remaining uncashed in each Municipality at the end of each month.

4. Government Proceedings dated 18th May 1894, No. 19739-47—L. F. 299-92.

No. 18376-86—L. F. 299-92, DATED, BANGALORE, 26TH APRIL 1895.

ORDER THEREON.—As any disagreement between the Deputy Commissioner's and Comptroller's accounts, resulting from cheques issued in one month being cashed in another, can be easily detected and adjusted by reference to the cash balance statement prescribed in Government Proceedings dated 18th May 1894, No. 19739-47—L. F. 299-92, Government approve of the proposal made by the Comptroller and direct that the present rule, requiring cheques to be made presentable within five days of issue, be withdrawn, and that in future cheques be made current for three months from day of issue.

General Secretary.

READ :—

Docket dated 21st February 1895, No. 514, from the Deputy Commissioner of the Kadur District submitting the District Fund Budget estimates of the Kadur Circle for 1895-96.

No. 16324-8—L. F. 150-94, DATED BANGALORE, 4TH APRIL 1895.

ORDER THEREON.—The District Fund Budget of the Kadur District, submitted with the Deputy Commissioner's letter read above, shows that the funds at the disposal of the Board are so limited that it is impossible to save any portion of the receipts, so as to ensure a closing balance of the required 25 per cent.

2. There was a debit balance of Rs. 1,687-6-5 on 30th June 1893 and an estimated credit balance of about Rs. 5,000 on 30th June 1894. It is safer to adopt the latter figure as the probable balance on 30th June 1895. The seventy-six per cent of the one anna local cess is estimated at Rs. 46,679. This may, taking into account the actuals of 1893-94, be reduced to Rs. 43,000. Under "(2) Sale of Stray Cattle" and (3) "Fines from Cattle Trespass," the receipts are somewhat overestimated. They will be reduced to Rs. 500 and 3,500 respectively. The contribution payable by the Sringeri Matt, towards ¾th cost of the Local Fund Dispensary in the Jahgir does not appear to have been included under "6 Private Contributions." A sum of Rs. 1,549 will be entered on this account. The estimates under the other heads will be retained. The total anticipated receipts, including the opening balance amounts to Rs. 55,349. As against this sum, the expenditure proposed comes to Rs. 53,522, as shown below :—

Civil charges.

		Rs.
I.	Office establishment	731
II.	Medical Scholarships	330
III.	Hospitals and Dispensaries	5,651
IV.	Midwives	1,672
V.	Sweepers for Travellers' Bungalows and Musafarkhanas ...	3,688
VI.	Conservancy and Sanitary charges	2,000
VII.	Vaccination	150
IX.	Contributions	3,320
X.	Miscellaneous	3,677
		21,228
A.	Public works to be executed by D. P. W.	30,065
B.	Public works to be executed by Revenue Department ...	2,229
	Total expenditure ...	53,522
	Closing balance ...	6,604

3. Under "III Hospitals and Dispensaries," the full cost of the Local Fund Dispensary at Sringeri, instead of only one-fourth cost thereof, ought to have been shown. The estimate will be raised by Rs. 660. The provision of Rs. 250 for stoves will be struck out pending explanation called for in para 10 of Proceedings dated 8th June 1894, No. 21222-6—L. F. 233-93.

4. The amount of contribution, if any, made towards the cost of the Sollebail Dispensary and under what head the amount is credited, should be reported. A sum of Rs. 1,500 is provided for Cattle-pounds under "X Miscellaneous (*c*) Pounds." This exceeds the estimate for the previous year by Rs. 220, and the provision will accordingly be reduced to Rs. 1,300. Compared with the actuals of 1893-94, under item X Miscellaneous (*f*), the provision of Rs. 1,000 made for 1895-96 for destroying bushes and thickets seems excessive, and will be reduced to Rs. 500. The estimate under "Miscellaneous (*h*) Unforeseen expenses" will also be reduced from Rs. 200 to Rs. 25, as the actuals for 1893-94 amounted to only Rs. 11.

5. Under "A. Public Works to be executed by D. P. W.," a sum of Rs. 1,500, with reserve, is entered for tools and plant; but as the actuals of 1893-94 amounted to only Rs. 90-15-2, the provision for 1895-96 will be reduced to Rs. 200. Under the same head, for works to be executed by Revenue Department, the provision for tools and plant with reserve will also be reduced to Rs. 25.

6. A detailed statement of Budget estimates of receipts and expenditure as now sanctioned will be found in the Appendix, of which an abstract is given below :—

Correspondence ending with letter dated 8th April 1895, No. 591, from the Deputy Commissioner of Kadur.

With reference to your docket No. 13463—L. F. 233-93, dated 5th ultimo, enclosing a letter from Mr. St. Clare Johnson and calling for a report on the Local Fund Board resolution No. 11 a, dated 10th November 1894, regarding the extension of the Lingadhalli Birur Railway Feeder, I have the honor to inform you that the proposed extension runs along the outer slope of the north-western spur of the Baba Budans and was originally proposed to join the Baba Budan Hill road from Chikmagalur, but which question is still under discussion.

2. Some years ago Mr. Courpalais obtained sanction to cut a road from Lingadhalli to his estate, Sampegay Khan, a distance of about 14 miles, and it is this road to which Mr. Johnson refers and which was originally proposed to put in thorough repair and join on to the Baba Budan Hill road. The road is at present in existence and is used entirely by the estates on the outer north-western slope, and it is merely a question of repair.

3. On receipt of your letter, I asked Mr. Runga Row's opinion as to whether he thought it advisable to stop the present Baba Budan Hill road and re-appropriate the amount for this, or whether he could suggest any other re-appropriation. I beg to enclose his reply, and I may state that I am entirely of his opinion that the real difficulty is the upkeep of the road hereafter, as the present funds are totally inadequate for the upkeep of the present roads in this District, and some remedy needs to be applied in the shape of extra taxation of some sort. I am further of opinion that as these planters, at the most 12 in all, have two Government roads running from Lingadhalli to Tarikere and from Lingadhalli to Birur, within a reasonable distance of their estates, Sampegay Khan, the farthest off being 14 miles, I see no reason why they should not subscribe amongst themselves and repair the road, if it is so urgently needed, as the Government cannot be expected to bring roads up to their very doors unless they can derive some substantial benefit therefrom; and I would therefore suggest that the Planters interested do this, at any rate until the question of the direction of the Baba Budan Hill road is settled, more especially when it is seen that one Planter has been enterprising enough to cut the road.

4. The letter received with the docket under reply is herewith returned.

Letter No. 41, dated 2nd April 1895, from the Executive Engineer, Kadur Division, to the Deputy Commissioner, Kadur District.

Adverting to your letter No. 69, of 26th ultimo, regarding the Birur Lingadahalli extension towards Sampegay Khan, I have the honor to state that the object of the newly opened Birur-Lingadahalli road is, at present, only partially realized. Among other things, it was intended to put a great many coffee estates on the outer slopes of the "Horse Shoe" in communication with the Railway. The few estates along the Chikmagalur-Tarikere Road are benefited by the Railway feeder; but those on the northern slopes cannot derive full benefit from it, till it is extended towards Sampegay Khan and onwards. In this light, I consider the extension to be of very great importance.

2. Whether this extension is more important than the extension inside the "Horse Shoe," need not now engage our attention, as funds for the latter are provided from Local Funds General as in the case of the last extension from the 15th to 20th mile. If, however, an opinion in the matter is required, I am inclined to regard that both of them are equally important, inasmuch as the sections of roads at present opened out are only *partially* useful.

3. It was only for want of funds that this road work was crowded out of the Budget Estimates for 1895-96. There is no allotment provided for the Sakrepatna-Santaveri road; we cannot well reduce the maintenance grant for the existing roads. As it is, the roads in this District are maintained at an average mileage rate of Rs. 48, the lowest rate in the Province, the average for which is Rs. 61, the maximum rate being Rs. 73 in the French Rocks Division. Other charges are irreducible. It is therefore a question of ways and means. With such low assets as ours, the numerous demands thereon and the restrictions regarding working balances, it has not been possible to make both ends meet. Until our resources are developed by the institution of tolls or road cess on coffee revenue, in the same way that irrigation cess is levied on wet assessment, there seems to be no chance whatever of the Local Fund Board being able to undertake the several useful public works so necessary to meet local requirements.

4. Enclosures to the letter under reply are herewith returned.

Letter No. 68, dated 21st January 1895, from Mr. W. St. Clare Johnson, Kulhatti Estate, Santaveri, to the Chief Secretary to the Government of Mysore.

Lingadahalli-Birur Railway Feeder Road. Extension of.

This subject was once before spoken of by me in person, to which I had received your reply that no correspondence on the subject could be traced. I would beg to point out, at the Local Fund meeting of the District held at Chikmagalur in November last, this question was fully discussed, and the importance and urgency of same, together with the benefit the Railway would derive by such an extension, was unanimous, and it was resolved, that immediate funds should be sought. I now write with a view to point out, the best time for the construction of the road is passing by and nothing done; if immediate steps were taken, not being a difficult road to construct, it would easily be got through by the time the rains set in, and be a great boon to all in the District.

Trusting my appeal will receive your favorable consideration.

No. 18248-9—L. F. 233-93, DATED, BANGALORE, 25TH APRIL 1895.

ORDER THEREON.—The Deputy Commissioner's suggestion is approved as Government are unable to allot any funds from the District Funds for the purpose.

Letter No. L. F. 1594, dated 18th March 1895, from the Comptroller, stating, with reference to Government Proceedings No. 13910-1—L. F. 69-92, dated 8th March 1895, that the submission of monthly accounts by Presidents of Municipalities and District Fund Boards direct to Government may be dispensed with, as suggested in his letter No. 1477—L. F., dated 10th March 1894.

No. 17808-18—L. F. 157-94, DATED BANGALORE, 20TH APRIL 1895.

ORDER THEREON.—The monthly returns submitted to Government by the Presidents of the Municipalities and District Fund Boards under the instructions conveyed in Government Proceedings No. 1781-9—L. 272, dated 2nd May 1892, are found very often to vary with the returns submitted by the Comptroller under para 2 of Proceedings No. 1790—800 of the same date, and the explanation given for the differences shows that without the Comptroller's audit, the returns received from the Presidents are nearly valueless. As the Municipal Forms III and IV prescribed in the above order serve no useful purpose, they need not be submitted by the Presidents direct to this Office from this month. It will be sufficient if the Comptroller, after checking and correcting the returns received in his office, submits them to Government, with the least practicable delay.

Letter dated 18th February 1895, No. 87, from the President, City Municipal Commission, Bangalore, requesting sanction to the payment of Rs. 290 at Rs. 10 a day to certain Municipal Commissioners for assisting in hearing appeals against the assessments imposed during the revision under section 74 of the Bangalore Municipal Regulations.

Letter dated 29th March 1895, No. 115, from the same Officer, stating, in reply to this office No. 14318—L. F. 139-94, dated 12th March 1895, that in the Civil and Military Station a fee of Rs. 5 is paid to Commissioners for the same work.

No. 18134-5—L. F. 139-94, DATED BANGALORE, 24TH APRIL 1895.

ORDER THEREON.—The Government observe that there seems to be no good reason why rates higher than those allowed in Civil and Military Station should be granted in the Bangalore City Municipality and accordingly sanction the disbursement of Rs. 145 at Rs. 5 a day as shown in the accompanying statement.

2. The President is requested to point out the source in the current year's Municipal Budget from which the charge can be met.

188	17403 Pet.F. 80-94	4	Dy. Comr., Bangalore.	Appeal petition No. 335 of 1894-95. *Appellant.* — Vobalaiya *alias* Mallaiya of Manne, Nelamangala Taluk, by Mr. S. Narayan Rao, Advocate. *Vs.* *Respondent.* — Gavi Ranga, by Mr. N. V. Narasimmaiengar. In 1893 the Respondent applied for the registry of S. No. 109—3 of Manne, Nelamangala Taluk, in his name as grandson of the Khatedar who is said to have died in 1876-77. The Deputy Commissioner in directing the registry further ordered that the land which has been in the enjoyment of and whose kandayam has been paid, the Appellant for the last seven years should be put in the possession of the Respondent. Held that Revenue Officers are not competent to disturb the possession of a person who has been long in the enjoyment of a land. The Deputy Commissioner's order was reversed.
189	17407 Pet.F. 82-94	4	Ditto, Tumkur ...	Appeal petition No. 645 of 1894-95. *Appellant.* — Jananma, by Mr. S. S. Ananda Rao, Advocate. *Vs.* *Respondent.* — Venkatraya. On the death of the Appellant's husband Timmappa, Shanbhog of Kichvadi and two other villages of the Kunigal Taluk, the Respondent's father Gundappa who was the brother of the deceased was appointed to the post in 1883 on the condition of paying to the Appellant half of the Potigi for her maintenance. This condition not being fulfilled, the Appellant petitioned the Deputy Commissioner to recover for her a portion of the Potigi from Respondent who had since succeeded Gundappa. The Deputy Commissioner referred the Appellant to a Civil Court. Held that it was inequitable to refer Appellant to a Civil Court as the appointment was conferred on Gundappa on the express condition that he should povide for the maintenance of Timmappa's widow and as the performance of which alone entitled him or his successor to continue in office, but that only arrears for the past three years could be awarded to Appellant. Held also that a half of the Potigi was too much and that the Deputy Commissioner should reduce it taking the reasonable wants of Appellant and the local usage into consideration.

191	17665 Pet.F. 80-94	10	Ditto, Shimoga ...	Appeal Suit No. 69 of 1894-95. *Appellant.* — *Respondents.* Timmappa. *Vs.* 1. Virupakshappa. 2. Giriyamma. Timmappa was the Magani Shanbhog of the Benkipur Firka, Shimoga Taluk, including the villages of Benkipur and Sigebage in dispute, while the 1st Respondent and the 2nd Respondent's husband belonged to the family of the Grama Shanbhog of the same village. During the Potigi Settlement, the latter were in accordance with the late Chief Commissioner's Proceedings No. 1615-56, dated 17th May 1879 appointed sole Shanbhog's of the villages in dispute, as they were in the enjoyment of Umbli land. This order was approved by Government in 1889. In 1892, the Appellant brought a suit to establish his right to the villages in question, contending that the Respondents never performed the duties of the villages nor ever in possession of the Umbli lands attached thereto. The suit was dismissed by the Assistant Commissioner and his decree was confirmed by the Deputy Commissioner. Timmappa has preferred this second appeal. Held that as there was ample evidence that the members of the Respondent's family were Grama Shanbhogs, and that they performed the duties thereof, enjoying the Umbli lands, the appointment made at the Potigi Settlement was right and that the suit was rightly dismissed in the Courts below.
